Supervisory Patent Examiner, Art Unit 2442

Continuation of 10. Other (including any explanation in support of the above items): The appeal brief is not signed properly. The signature appears to be an electronic copy of a handwritten signature inserted into an electronic document. As such, it is not either a handwritten signature as per 37 CFR 1.4(d)(1) or an s-signature as per 37 CFR 1.4(d)(2). The applicants are reminded of the provisions of 37 CFR 1.4(d)(1)(ii) where a copy of a document containing the original signature should be kept if a document containing a copy of the signature is required.
